Please type a few sentences (or more) in response to each of these questions:

1. Describe what is interesting to you about a Catholic leadership institute.
2. Describe your prior leadership and related experience.
3. Tell us about the significance and practice of spirituality in your life.
4. Name a leader you admire and explain what you appreciate about them.
5. What will being a graduate of the Newman Leadership Institute mean to you?
6. How will you ensure you have enough time allotted to fully participate in the first and fourth semester classes; second and third semester internships, and twice-weekly meals and workshops of the Institute?
7. What do you imagine will be your role in the community which spends four semesters together in the Institute? Each person brings their own unique personality, skills, and interests. What are yours?
